SW TOOLHOLDERS

Static and driven toolholders program for lathes with sliding headstocks (Swiss-type lathes)

SW WERKZEUGHALTER

Statisches und angetriebenes Werkzeughalterprogramm für Drehmaschinen mit beweglichem Spindelstock (Langdrehautomaten)

PORTAHERRAMIENTAS SW

Programa de portaherramientas estáticos y motorizados para tornos con cabezal móvil (tornos suizos)

PORTAUTENSILI SW

Programma dedicato ai portautensili statici e motorizzati per torni con fantina mobile

PORTE-OUTILS SW

Programme de porte-outils statiques et entraînés pour les tours à poupée mobile (tours de type suisse)

ДЕРЖАТЕЛИ ИНСТРУМЕНТОВ SW

Программа статических и приводных резцедержателей для токарных станков с подвижной бабкой (токарные станки швейцарского типа)
